

## NEWS RELEASE

Frigate Bay, St. Kitts WI  
May 8, 2006

**T**he Caribbean Vacations Club is pleased to announce that as of today they have launched their official website [www.caribbeanvacationsclub.com](http://www.caribbeanvacationsclub.com). After weeks of evaluations and redesign, we can now better serve our partners and timeshare owners.

**O**n St. Kitts we are revamping our Marketing and Sales operations to better accommodate the visitors and potential owners of the St. Christopher Club.

**A**bout the St. Christopher Club: this is currently the only timeshare property on St. Kitts and is nestled between the pristine waters of the Atlantic Ocean and the Caribbean Sea. The spacious one and two bedrooms (with lock-offs) are designed with an open floor plan and are built with excellent quality in Euro-Caribbean style. The location offers direct access to a 18-hole championship golf course and other activities, and is just a ten minute drive from Basseterre, the historic capital of St. Kitts. The condominiums are part of a master plan situated on nine acres of prime beachfront property currently consisting of two three story condominium buildings, swimming pool, Ciao Italian restaurant, scooter rentals, Island Fever boutique and Rock Lobster restaurant. Future developments include four additional condominium buildings, a seventy room hotel, casino, shopping arcade, spa, tennis court, a new swimming pool with an in-pool bar, beach bar and sports beach facility. The resort is fully affiliated with Interval International, the quality exchange organization for vacationship owners. More information on the resort can be found at [www.stchristopherclub.com](http://www.stchristopherclub.com).

**F**urthermore, we are in the process of expanding our travel destinations in the Caribbean and beyond. Our second marketing campaign will start soon which will offer more opportunities for prospective timeshare owners and partners.

**W**e invite you to have a look at our website where a PDF version of our company brochure can be downloaded.
